MEMORANDUM FOR RECORD

SUBJECT: IA REQUIRED TRAINING

1. In an effort to assist the TT Soldiers acquire network access it is necessary for the Soldier to complete the required Fort Gordon training prior to arrival at Fort Riley. This training is required by the Department of the Army for all personnel that require access to any part of the Army LandWarNet (classified or sensitive).
2. When the service member registers for the exam, it is important that the email address doimia@riley.army.mil be used as the email address for score report. The web address of the required exam is http://ia.gordon.army.mil/ia_courses.htm and the user will be required to take the Computer User Security Training Course (IA Awareness Training).
3. Team Leaders should also send their results forward to Camp Buehring. The email address that should be used is keith.groves@kuwait.swa.army.mil . This will ensure team leaders are able to gain access upon arrival to Camp Buehring.
4. If you have any questions about this please contact Delta Company at 239-1624.
